

# SAMPLE OF FLOOR SECTION

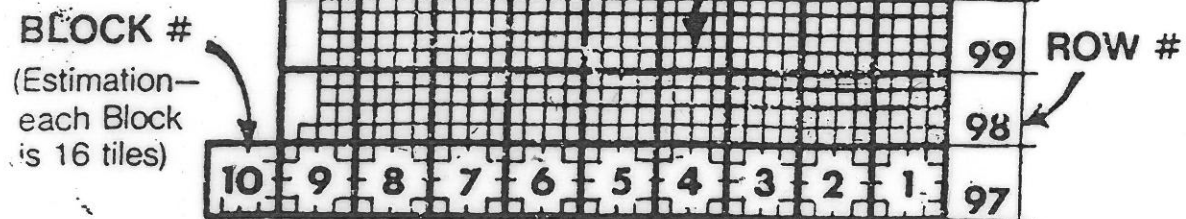

The TILE LOCATION NUMBER has two parts

“ROW” numbers are painted on the floor in a numerical sequence.

“BLOCK” numbers are NOT painted on the floor. They are an estimating device only.

**BLOCK #1 ALWAYS BEGINS NEAREST THE ROW NUMBER PAINTED ON THE FLOOR**

If your tile location number is Row 99, Block 4, it is one of the 16 tiles in here

## PIKE PLACE

TILE LOCATIONS • PAGE 2 • ROWS 301-661
